

QUALITY POLICY STATEMENT

Emporium Partners seeks to be a strategic partner to premier global manufacturing companies, providing procurement and logistics services that enable them to meet their customers' needs in a more responsive, efficient, effective manner. We will help make our customers successful with their customers.

We will continuously improve our processes to pass on greater efficiency and value-added services to our customers. We will deliver error-free, competitive products and services on time to our customers that meet or exceed their expectations. To implement this policy means that all employees will understand what their customers expect and that they will provide the customers with products and services that meet or exceed their expectations. All requirements must be continuously evaluated and upgraded to reflect changing customer expectations.

Emporium Partners will maintain the highest moral, ethical and legal standards in all of its business dealings. This obligation also extends to our employees, their families and the communities we serve. We will provide safe and healthy working conditions for all of our employees and be responsible corporate citizens in the preservation of the environment.
